

Mini-Project 103 The First Nowell Task 12

You are going to complete writing out the tune. All the help you need is here. The grey crosses show you the type of notes. You need to put the blob which shows the pitch of the note in the right place on the five lines and four spaces. Stick to the going up or down by step pattern. Some complete notes are given to you for reassurance that you are in the right place and to help with the jump. When you have to sing more than one note on a syllable that's shown by a curvy line. In this context it is called a **slur**. Check what you've done on the Task 12 Answer Sheet
